

Attention Former Winthrop Student-Athletes

Winthrop Athletics is looking forward to an even brighter future and wants to include its former student athletes in that future by inviting them to join an exclusive group that has been dubbed The Varsity Club. Join now and become a proud member of the Winthrop Athletics family.

It is now more important than ever to think about the long-term future of Winthrop athletics. Supporting The Varsity Club not only helps Winthrop meet today's operational needs, but also helps ensure the availability of scholarships for future Winthrop Eagle student-athletes.

As a member of The Varsity Club you will be supporting the sport in which you participated while at Winthrop. While the Eagle Club supports scholarship opportunities for all Winthrop sports, you now have a chance to support YOUR sport. By becoming a member of The Varsity Club, your minimal contribution will go 100% to support your former sport. The club's structure will apply 50% of your membership to scholarships for your former sport and 50% towards the operational support of your sport.

All it takes to be a member of this proud group is to make a minimum contribution of \$100 per year to The Varsity Club. If you can give more, you are encouraged to do so. Please consult your tax advisor regarding any possible tax benefit.

In return for your continued support, you will be provided with the following benefits:

- Free admission to all Winthrop home athletic events
- Use of Winthrop tennis and golf facilities
- Access to all Eagle Club general hospitality activities
- Special social event during Homecoming each year
- Recognition in Winthrop publications and on the athletics web site

In addition, reunions in each sport will be planned periodically to give you another opportunity to catch up with old friends and teammates.
